

Century Extrusions Ltd.
Kharagpur

QUALITY POLICY

We, at CEL, Kharapur, aim to maintain excellence in the manufacturing of Extruded and Drawn Aluminum Sections.

We are committed to fulfil our customers' requirements and the relevant statutory and regulatory norms applicable to product quality.

We commit ourselves to reduce the cost of production continually through the steady gains in productivity, efficient consumption of inputs and effective improvements in the process and product quality.

We shall comply with the requirements of "AS 9100 D" with the ultimate aim of realizing products that satisfy end users and customers.

Through team work, motivation, innovation and training we aim to provide an environment for the fullest realization of everyone's potential.

We are committed to continually improve the effectiveness of our Aerospace Quality Management System.
